

Liann C. Gonzales

lianngonzales7@gmail.com | 09622398624 | Bulacan, Philippines

An Information Technology student based in Bulacan, Philippines. I'm passionate about learning new technologies, building projects, and continuously improving my skills.

Experience

Freelance Graphic Designer, Logo Branding

January 2021 - January 2022

Worked on logo design, branding, and illustration projects for various clients, focusing on creating visually appealing and impactful designs.

The Making of a Champion, Gymnastics Coach

January 2020 - Present

Coaching young gymnasts in skills development, discipline, and performance, contributing to both recreational and competitive training programs.

The Making of a Champion, Technical Director

January 2022 - Present

Managing the technical aspects of gymnastics competitions, including scoring systems, event coordination, and ensuring smooth execution of events.

Education

La Consolacion University Philippines

Bachelor of Science in Information Technology, January 2022 - Present

Skills

JavaScript, React, Python, HTML, CSS, SQL

Projects

Cherry Tomato App (Pomodoro)

Created the UI design for our capstone project — a Pomodoro timer app with task management and progress tracking features.

Pepe the Frog Mini Game

Developed a fun mini game using Godot, featuring Pepe the Frog as the main character. Focused on simple mechanics, smooth controls, and engaging gameplay.

TMC Website

Developed a responsive website for a gymnastics sports academy, featuring programs, coaches, and events with user-friendly navigation.

JPSSITE ORG SHIRT

Designed the official organization shirt for JPSSITE, combining creativity and branding. Recognized as the winning design.

Logofolio

30 day logo challenge by Logocore. Created unique logos daily, exploring various styles and concepts to enhance my design skills.

Certificates

Office2019: Microsoft Office Specialist: Excel Associate (Office 2019)

Microsoft, May 2023
